

Is it possible to dive in the Dead Sea?

This is the most common question which emphasizes the unique adventure of diving in the Dead Sea. Many divers even can't imagine it is possible at all

But it is absolutely possible!!!

Diving in Dead Sea is one of the most unusual diving in the world. The beautiful underwater scenery with its magnificent salt consolidation is just breathtaking. In a clear day you can expect to see the salt crystals shining like millions of diamonds.

So....

- If you want to see the magnificent salt crystals dipping between Moav to Edom Mountains
- If you want to dive like you never dive before
- If you feel you are tough enough
- If you look forward for your next experience,

We are here to fulfill it for you.

Minimum qualification requirements:

- Qualify diver of recognized diving organization ■ Valid diving insurance ■ Minimum of 50 logged dives in their log books
- Minimum of 2 dives in the last 6 months ■ Good physical condition with ability to carry about 65 Kg of equipment.
